## C³EL Awarded Seaport Next Generation

*Next Generation SeaPort (SeaPort-NxG)*

*Tampa, Florida— 07-19-2021* — Command Control Logistics, Engineering & Logistics (C³EL) is pleased to announce our award to support the Department of the Navy, Naval Sea Systems Command's continuing requirement for Seaport-e called Next Generation SeaPort (SeaPort-NxG). SeaPort-NxG will allow C³EL to expand its ability to Prime opportunities through this contract vehicle. C³EL is excited about this opportunity for growth and to continue supporting Mission Critical Audio-Visual projects.
